## Parent Group Notes...

At our last parent group we brainstormed some ways to get more parents involved, still looking for community volunteers to present at school, talked about participating in the St Patrick's Day Parade and reviewed the safety procedures in the event of an emergency. We encourage every parent to attend a meeting, even if it just one, to stay informed and give feedback to make our school a positive experience for all. Beverages and child care are provided and it is a great opportunity to meet the parents of your child's friends!

### FALL FESTIVAL

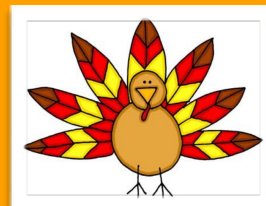

Thank you to all our parents that brought goodies for our yearly fall festival. We really appreciate all the support. The children had a wonderful time showing off their costumes, jumping in the jump house, and eating up all the yummy food. We hope everyone had a happy and safe Halloween!

### FUN TIP FOR COMMUNICATING WITH YOUR CHILD

#### Make time to laugh and be silly.

So much of parenting is making sure your children are fed, clean, clothed, and doing what they are supposed to be doing. Taking time to just talk or play with your children shows them how much you care about them and want to be with them. ([CDC.gov](http://CDC.gov))
